NEW: CYBER SECURITY AWARENESS

Is your organisation Cyber-secure

Using digital tools to communicate, create, share and collaborate at work is fundamental to everyone.

But with cybercrime growing each year, we all have a responsibility to take necessary security precautions.

Step into our 'whodunnit'-style series and follow Jade as she uncovers the key threats – and best practices – in today's digital world. This gripping, storyline-led series is packed with practical guidance, relatable scenarios, and a few surprises along the way.

What's in it for you?

- Learn to spot and prevent common cyber threats
- Understand why cybersecurity is a responsibility
- Build confidence in staying secure online – at work and beyond

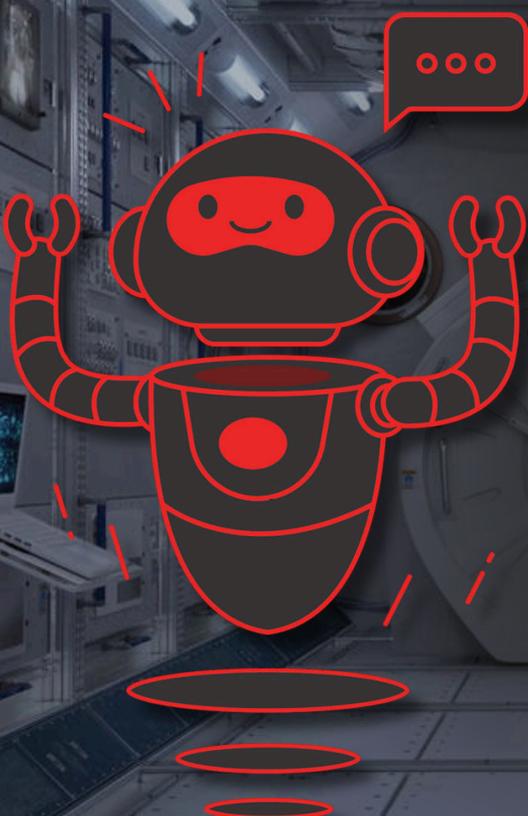

Included courses:

- Responding to a cyber attack
- Staying safe online: phishing, social engineering and browsing
- Device and data security
- Connecting and communicating remotely
- AI and cyber security: how to spot a deep fake
